FY27 “Thank You” Template

Below is an example of an email template unit leaders will be provided to support their stewardship efforts for Deans Club and Chancellors Club donors. For the bulleted pride points section, they can add a sentence for specific projects in their school/unit that have been made possible by donors.

Dear <____,>

Thank you for your partnership as a Deans Club donor. Because of you and others who also believe deeply in the <School of ____>, we are making great progress in our mission of educating students, advancing knowledge and preparing the next generation of leaders.

Deans Club donors — those who give \$1,000 or more annually — are essential to the vitality and effectiveness of our school. Your support provides scholarships, unrestricted resources, emergency assistance and countless other ways of strengthening the student experience. Simply put, your philanthropy gives us the flexibility to meet emerging needs, seize opportunities and ensure that our students are prepared to thrive long after graduation.

Over the past year, Deans Club support has helped us make significant strides. Among them:

- Pride Point #1
- Pride Point #2
- Pride Point #3

It is because of the Deans Club that I can be so confident in the education we provide. As dean, I am continually inspired by the big ideas and aspirations of our students and faculty. Yet ideas and aspirations are not enough. Turning ambitions into outcomes requires the kind of investment you and others in the Deans Club provide.

Thank you for believing in our students and in the future of the <School of ____>. I am deeply grateful for all you do to help us thrive.

With appreciation,
